Gulf Coast Turbocharger has been serving the rail and marine markets since 2003. Our combined experience of over 50 years will provide the best quality turbos possible. We meet or exceed all OEM specifications and are very stringent in all of our rebuild processes.

We have a core pool in place for a variety of different turbos. If we are unable to offer UTEX we can offer Repair & Return options in a timely manner.

Our *Hofman Horizontal Balancer* enables us to balance our rotors to far exceed the original OEM specifications for longer lasting turbos!

#### We Provide:

- ◆ OEM factory trained technicians
- ◆ Rebuilt to meet or exceed all of OEM standards
- ◆ All rotors are balanced to better than OEM specifications
- ◆ Two-year warranty on all turbochargers
- ◆ Turbocharger parts
- ◆ Incorporates magnetic particle & florescent dye penetration testing for part inspection
- ◆ UTEX or Repair & Return
